OIL PIPELINE TARIFF FILING

Re: Oryx Wink Oil Pipeline LLC—Tariff Filing

Dear Ms. Mendoza:

Oryx Wink Oil Pipeline LLC (“Oryx Wink”) hereby submits for filing Tariff No. 2.2.0 to be effective April 1, 2020.

Oryx Wink is submitting Tariff No. 2.2.0 to update the table of rates identifying the applicable pump-over fee for administrative purposes. Specifically, the tariff currently includes a table of rates that identifies the pump-over fee applicable to movements from the Waimea Storage Facility to the “Storage facilities or pipeline systems interconnected to Waimea Storage Facility.” Oryx Wink has revised the table in order to identify the specific pipeline systems that are connected to the Waimea Storage Facility and for which the pump-over fee applies. Oryx Wink notes that it has not created any new transportation service or pump-over movement through the changes reflected in Tariff No. 2.2.0.

Oryx Wink requests that any challenge of this filing be telefaxed at the time the challenge is filed to Deborah Repman, fax number 713.357.6775, and Brett Wiggs, fax number 432.253.7727. Please file-stamp the additional copy of this filing to verify receipt and filing and return them to our messenger. Should you have any questions, please contact me at the address or telephone number listed above.

Respectfully submitted,

/s/ Deborah R. Repman
